ECRS 2024 Proceedings

All presenters are invited to submit papers to ECRS 2024 proceedings which will be published in Central European Astrophysical Bulletin .

Deadline for submission: **December 20th, 2024**

ECRS2024 proceedings will be published in Central European Astrophysical Bulletin , which is maintained by Hvar Observatory and is indexed by NASA/ADS and does not apply paycharge. All papers should be sent in the pdf form to the main editor Mateja Dumbović (mdumbovic@geof.hr), as well as the editor for the corresponding session (see below). The subject of the email should be “ECRS2024 proceedings – session” (e.g. “ECRS2024 proceedings – SH”). The deadline for sending the papers to the editor is **December 1, 2024** . The template for writing the proceedings is available here (please note that this is read-only link). The template must be copied as a project into Overleaf or downloaded. Instructions for submission are given in the template itself. The page limit for invited reviews is 20 pages, for invited highlights 15 pages, for contributed presentations 10 pages (including Figures, Tables and References). Note that there is no option for supplementary material. For longer tables we suggest using Figshare , Zenodo or similar repository which assigns DOI and is in line with FAIR principles . Once the paper reaches the production stage it will be transferred to the CEAB editor Domagoj Ruzdjak . For any questions regarding the proceedings feel free to contact the main editor (mdumbovic@geof.hr).

Main editor:

- Mateja Dumbovic, mdumbovic@geof.hr

List of editors per session:

- SH: Nina Dresing, nina.dresing@utu.fi
- CRD: Bruna Bertucci, bruna.bertucci@unipg.it
- CRI: Mario Bertaina, bertaina@to.infn.it
- THEO: Mauricio Bustamante, mbustamante@nbi.ku.dk
- EAS: Tanguy Pierog, tanguy.pierog@kit.edu

- NU: Dorothea Samtleben, dosamt@nikhef.nl
- GA : Alison Mitchell, alison.mw.mitchell@fau.de
- DM: Mirko Boezio, mirko.boezio@ts.infn.it
- INSTR: Simona Toscano, simona.toscano@icecube.wisc.edu
