LaTeX
, preferably using the Cent. Eur. Astrophys. Bull. style file which may be downloaded together with sample files
here
and sent to the
editor
.

Page limits

The following page limits apply for the XIIIth Hvar Astrophysical Colloquium:

- Reviews = 18 pages
- Invited talks = 14 pages
- Contributed talks = 10 pages
- Posters = 6 pages

Special notes Please check that you have provided the organizers with your complete mailing address since this information will be used for delivery of the Proceedings.

Colour figures can be included in the LaTeX paper. However, only black and white versions will appear in the printed version unless the authors are willing to pay the cost of printing in colour. If colour figures are included, the authors should check that their figures will reproduce as desired in black-and-white, and there is no reference to colour in either text or captions.
