Online ISSN: 2706-3232
Print ISSN: 1845-8319

The Bulletin publishes papers on theoretical, observational and instrumental astrophysics.

The Central European Astrophysical Bulletin starts in 2006 as a continuation of the Hvar Observatory Bulletin
(founded in 1977, ISSN: 0351-2657).

The Bulletin is published one volume yearly by the Faculty of Geodesy, University of Zagreb, Kaciceva 26, HR-10000 Zagreb, Croatia.

Abstracted in Astronomy and Astrophysics Abstracts (Springer-Verlag, Berlin), Referativnyj Zhurnal (Moscow), INSPEC (Herts), ADS (Cambridge MA, USA).

Printing of this Bulletin was made possible by the financial support of the Ministry of Science, Education and Sports, Republic of Croatia
and the

University of Graz
and
Land Steiermark
, Austria.

Short title: **Cent. Eur. astrophys. bull.**
