Hvar Observatory - Peter Foukal visted Hvar Observatory

Written by Davor Sudar Thursday, 02 October 2014 20:09 - Last Updated Friday, 03 October 2014 12:53

Peter Foukal, member of U.S. National Academy of Sciences Panel on Sun-Climate
Influences and the author of the book Solar Astrophysics, visited the Hvar Observatory on September 20th, 2014. Apart from showing the observatory to the distinguished guest, we also used this opportunity for taking some photos.
