

Here is a list of hotels in the center of Zagreb, all of which are within half an hour walking distance to meeting place ([Zagreb Observatory](#)), or less if you use public transport. The names and addresses of the hotels are given as well as the approximate walking distance and price. For further information follow the hotel website link.

For alternative accommodation you can find useful information at www.zagreb-touristinfo.hr or booking.com.

Note that the listed prices are just roughly estimated based on the current availability.
