

The 28th European Cosmic Ray Symposium (ECRS 2024) **23 - 27 September 2024,**
Hvar, Croatia

ECRS 2024 is the 28th in a series of European Cosmic Ray Symposia, which are held every 2 years in one of European countries. The main goal of the Symposia is to gather European Physics community performing research of cosmic rays and related fields, to present recent results, newly emerging ideas and forthcoming experiments.

PROGRAM

List of sessions and conveners:

1. SH - Solar and heliospheric cosmic rays, SEPs and GCR propagation (Nina Dresing)
2. CRD - Direct measurements of cosmic rays (Bruna Bertucci)
3. CRI - Indirect measurements of cosmic rays (Bertaina Mario)
4. THEO - Acceleration, propagation, origin of cosmic rays (Mauricio Bustamante)
5. EAS - Air shower physics and hadronic interactions (Tanguy Pierog)
6. NU – Neutrinos (Dorothea Samtleben)
7. GA - Gamma rays (Mitchell Alison)
8. DM - Dark Matter (Mirko Boezio)
9. INSTR - Future measurements, instrumentation and methods (Simona Toscano)

The final timetable of the ECRS 2024 program and abstract book can be found here:

Timetable & important dates:	March 2024	Abstract submission opens
	second half of May 2024	Registration submission opens
	31 May 2024	Closing abstract submission
	End of June 2024	Release of preliminary program
	31 July 2024	Closing early registration
	1 September 2024	Switching to late registration
	15 September 2024	Release of final program and abstract book
	23 September 2024	ECRS 2024 starts

ABSTRACT SUBMISSION

The abstract submission is closed for oral contributions (deadline 31 May 2024).

However,

2024

until 1st September

it is still possible

to submit the poster contributions with the abstract submission form (

CLOSED

).

ECRS2024 will be held in-person only.

There will be no abstract submission charges.

Submission of an abstract is NOT considered as registration. Registration will only be considered as full upon receiving the payment. The registration will be opened in the second half of May 2024.

REGISTRATION

The ECRS 2024 registration is now open. To make registration and payment (credit card or bank transfer) please go to following link:

[ECRS 2024 registration](#)

until 31th July from 31th July to 1st September from 1st September	Early registration included	Registration Late registration	
	included		
Regular	400 EUR	450 EUR	500 EUR
Students & retirees	200 EUR	225 EUR	250 EUR
Accompanying person	150 EUR	150 EUR	200 EUR

ECRS2024 will be held in-person only. The registration will be opened in the second half of May 2024.

For student/retiree status a confirmation of status needs to be uploaded during registration.
For retirees – ID, passport or other document showing age OR any document from which retiree status is visible.
For students – student card, confirmation from university or similar document from which student status is evident.

ORGANISATION

ECRS organization is initiated and guided by the International Advisory Committee (IAC) which appoints International Scientific Program Committee (SOC) for the given Symposium to organize its scientific content, while the Local organizing committee (LOC) oversees and handles logistics.

International Advisory Committee (IAC)

Jörg Hörandel - chair

Sabrina Casanova
Andrea Chiavassa
Silvia Dalla
Mateja Dumbović
Erwin Flueckiger
Bernd Heber

Pavel Klimov Kumiko Kotera
Leonid Aleksandrovich Kuzmichev
Olga Malandraki
Piergiorgio Picozza
Mario Pimenta
Jacek Szabelsky
Ilya Usoskin
Veronique Van Elewyck
Vladimir Zirakashvili

INTERNATIONAL SCIENTIFIC ORGANIZING COMMITTEE

Chair:

Mateja Dumbović, Hvar Observatory

Members:

Nina Dresing (Uni. Turku, Finland)
Bruna Bertucci (Uni. Perugia, Italy)
Mario Bertaina (Uni. Torino, Italy)
Mauricio Bustamante (NBI, Denmark)
Tanguy Pierog (KIT, Germany)
Dorothea Samtleben (Leiden Uni., Netherlands)
Alison Mitchell (ECAP, Germany)
Mirko Boezio (INFN, Italy)
Simona Toscano (ULB, Belgium)
Mateja Dumbović, Hvar Observatory

Members: Jaša Čalogović, Hvar Observatory
Galina Chikunova, Hvar Observatory
Karmen Martinić, Hvar Observatory
Domagoj Ruždjak, Hvar Observatory
Akshay Kumar Remeshan, Hvar Observatory
