

Venue

The school will be held at the [Centre for Advanced Academic Studies \(CAAS\)](#) of the University of Zagreb located in Dubrovnik, Croatia. CAAS was founded by the University of Zagreb as a public academic institution for international scientific programmes and postgraduate studies. The building hosts classrooms in the first two floors, a dormitory in the top two floors and a restaurant in the atrium of the building.

We have organized accommodation in the dormitory for school participants and lunches in the atrium restaurant, however these are not mandatory.

The building is located in the very heart of Dubrovnik, near the main entrance of the old city core.

CAAS location is **Don Frana Bulića 4, 20000, Dubrovnik, CROATIA**
