

Tuesday, September 9th 2010 Hvar Observatory hosted Tanja Devčić and her crew from the Croatian radio channel 2 show „Andromeda“. The occasion was 10th Hvar Astrophysical Colloquium – „the Active Sun“, which took place September 6th till September 10th 2010 in Hvar. Radio show „Andromeda“, which is broadcasting for more than 14 years on the Croatian radio channel 2, went live from the Hvar Observatory on the Island of Hvar. The guests of the show were scientists from Hvar Observatory: Dr. Bojan Vršnak, Dr. Roman Brajša, and Jaša Čalogović and a special guest was Prof. Arnold Benz from the Institute of Astronomy ETHZ Zürich
