Travel

[Split](#) on the mainland (served by an [international airport](#)) is connected with the island of Hvar by several local lines.

How to get from Split airport (Kaštela) to Split harbor?

Split airport (Kaštel Štafilić) is around 25 km away from Split harbor where the catamaran or ferry to Hvar embark. Usually the trip to Split harbor takes around 30 minutes, but depending on the traffic it can be a little bit more (45 min). The best option is probably direct buses that are leaving directly in front of the airport ([Pleso Prijevoz](#)) and their time table is available [here](#).

The one-way ticket price is 6 EUR and the trip takes around 30 min. Somewhat cheaper are the [local buses](#)

No. 37 (Split – Trogir; Trogir – Split) and No. 38 (Split Airport – Kastel Stari – Split; Split – Kastel Stari – Split Airport), but they stop on many places and the trip is longer. Probably the fastest and most flexible option to reach Split harbor is by taxi, but it is considerably more expensive than the bus (around 50 EUR).

Transportation timetables (catamarans and ferry) to the island of Hvar for 2023

Important: The catamaran and ferry timetables for 2023 can be a subject of a change. Thus, we recommend to check the timetables directly at websites of the official transportation companies – [Jadrolinija](#) or [Krilo Jet](#).

The tickets for catamarans can be bought in the kiosk "Jadrolinija" few meters away from the final bus-stop ([see the map of Split harbour](#) or [Google maps view of Split harbour](#)). When buying the ferry/catamaran tickets ask where/when you have to embark.

Places on catamarans are limited, however it is possible to buy ticket online in advance ([Jadrolinija](#)

). Ferry will accept virtually unlimited number of persons. Although the September is not the high season on Hvar, on certain days catamaran tickets could be sold out, and we recommend to buy online the tickets for catamarans in advance (directly on

[Jadrolinija](#)

or

[Krilo Jet](#)

websites).

- Catamaran (fast boat) Split - Hvar (**the fastest and the best option for all those that aren't traveling with a car**)

The trip with catamaran takes about 1 hour.

- Car ferry Split - Stari Grad:
[Jadrolinija line no. 635 Split - Stari Grad](#)

The trip with ferry takes about 2 hours from Split to Stari Grad. If you don't arrive with a own car there is a bus or taxi from Stari Grad to Hvar that takes aproximately 20 min (15 km). The price of bus ticket is around 5 EUR and the taxi price can be around 30 - 40 EUR. The trip takes about 90 minutes; Jelsa is also on the island of Hvar and there is a bus connection to Hvar (approx. 30 km).
